

**DOUBLE DEGREE AGREEMENT BETWEEN
UNIVERSITAT POLITÉCNICA DE VALÈNCIA
AND TELECOM LILLE,**

**FOR A DOUBLE DEGREE IMPLEMENTATION AT THE MASTER OF
TELECOMMUNICATIONS ENGINEERING**

In Valencia, November 28th, 2013

BETWEEN

On the one hand, the Universitat Politècnica de València, hereafter referred to as UPV, whose VAT no. is Q-4618002-B, established by the Spanish Government Act no. 495 of the 11th of March 1971, published on the Congressional Record of the 26th of March 1971, having its head office at Camino de Vera, s/n, in Valencia, P.C. 46022, Spain, and on its behalf the President Mr. Francisco José Mora Más, appointed by the Valencian Regional Government Act no. 65/2013, of 30th May, and pursuant to the authority conferred by article 53-d of the UPV Statutes, approved by Valencian Regional Government Act no. 182/2011, of 25th November.

And on the other hand, Professeur Bertrand BONTE, Directeur of the TELECOM Lille1 at Villeneuve d'Ascq-CEDEX (France), (later "Lille1"), acting on behalf of the University

DECLARE

I

That the UPV is a Public Law entity with its own legal personality that carries out teaching, research and scientific and technological development. As stated in Article 2 of its Statutes, it is interested in intensifying international co-operation through exchange visits involving members of the University community, collaboration in the fields of teaching, research, technological development and innovation, one of the objectives of the UPV being that of allowing all its students to undertake part of their university studies at universities in other countries.

II

That the Lille1 is a French university whose main campus is located in the town of Villeneuve d'Ascq, awards the degree of "*diplôme d'ingénieur*", equivalent to the Master of Telecommunication Engineering from the UPV.

III

That both the UPV and Lille1, through the signature of this agreement, promote the exchange of the students in degree courses of "*diplôme d'ingénieur*" and "*Máster en Ingeniería de Telecomunicación*" (Master in Telecommunication Engineering) to obtain a double degree. Both institutions recognize that they exchanged students in Telecommunication Engineering

during several academic years, and even they had a Double Degree agreement based on the disappeared Telecommunications Integrated Master at UPV.

NOW, THEREFORE, in consideration of the foregoing, the UPV and the Lille1 hereby enter into and sign a Double Degree Agreement, in accordance with the following

CLAUSES

FIRST – PURPOSE OF THE AGREEMENT

The purpose of this agreement is to establish a frame work for collaboration between the UPV, *Escuela Técnica Superior de Ingenieros de Telecomunicación* (ETSIT), and Lille1 in order to establish the conditions that students from these institutions must fulfil to gain the academic degrees of Master in Telecommunication Engineering from the ETSIT-UPV and the *diplôme d'ingénieur* of TELECOM Lille1.

SECOND - CONDITIONS

1. There are two different itineraries for the ETSIT-UPV and Lille1 students, and depending on each one the number of the minimum ECTS already achieved in the home university are different (see annex I):
 - a. ETSIT-UPV to Lille1 (itinerary 1a): ETSIT-UPV students must have completed a minimum of 180 ECTS at ETSIT-UPV at Bachelor level (*Grado*) and also a minimum of 60 ECTS at ETSIT-UPV at Master level¹.
 - b. ETSIT-UPV to Lille1 (itinerary 2a): ETSIT-UPV students must have completed a minimum of 60 ECTS at ETSIT-UPV at Master level
 - c. Lille1 to ETSIT-UPV (itinerary 1b): Lille1 students must have completed a minimum of 4 academic (S1, S2, S3, S4,S5, S6, S7 and S8) years at Lille1
 - d. Lille1 to ETSIT-UPV (itinerary 2b): Lille1 students must have completed a minimum of 7 semesters (S1, S2, S3, S4, S5, S6 and S7) at Lille1
2. The students during their stay at the host university will be enrolled in their home university. For this purpose, the current regulations for grantees will be applied in the respective countries. The students participating in the double degree program are exempt from paying tuition fees at the destination university.
3. The ETSIT-UPV students will enroll in the Lille1 as European Union citizens and are required to comply with the examination regulations of the destination university.
4. The Lille1 students will enroll in the ETSIT-UPV as European Union citizens and are required to comply with the examination regulations of the destination university.
5. After successful completion of studies and according to the respective regulations, the UPV will award the degree of "*Máster Ingeniero de Telecomunicación*" and the degree of *diplôme d'ingénieur* of TELECOM Lille1

¹ For ETSIT-UPV students following this *itinerary 1a* must be remarked that they will follow the UPV requirements to register in the Master once the Bachelor degree is awarded.

6. Both institutions will assist the students in finding accommodation and with social integration.
7. The exchange will be done through the Erasmus programme or its successor and starts at the beginning of each academic year.
8. Both institutions will provide exchange students with the adequate possibility to improve their knowledge of the language of the host country.
9. All the students must provide that are covered by a health insurance in their mobility, to be covered in case of accident or illness
10. All the students in mobility under this agreement can not apply, in the host university, to other mobility grants handled by this university.
11. Both universities state a number of 3 students per university and per year that can apply for this Double Degree agreement, and they will try to keep the reciprocity.

THIRD – IMPLEMENTATION OF THE AGREEMENT

a) Mobility from ETSIT-UPV to the Lille1.

Before mobility, ETSIT-UPV students must demonstrate knowledge of French equivalent to level B1.

The ETSIT-UPV students must accomplish the following requirements to obtain a double degree:

- Itinerary 1a: The students must have completed at least 180 ECTS in the ETSIT-UPV, as indicated in Annex I (denoted as **BACHELOR 1**, **BACHELOR 2** and **BACHELOR 3** in Annex I-Itinerary 1a).
 - They will have to complete in the Lille1 60 ECTS (denoted as **S7-S8** in Annex I-Itinerary 1a) in combination with the following activities (48 ECTS + 12 ECTS of the Bachelor Thesis or internship) and, after 60 ECTS at ETSIT-UPV for the 1st Master academic year (denoted as **MASTER 1** in Annex I-Itinerary 1a), another 60 ECTS in the Lille1 (denoted as **S9-S10** in Annex I-Itinerary 1a). Courses are indicated in Annex II. (See foot note 1 at page 1).
- Itinerary 1b: The students must have completed at least 60 ECTS in the ETSIT-UPV, as indicated in Annex I-Itinerary 2a.
 - They will have to complete in the Lille1 120 ECTS (denoted as **S7-S8** and **S9-S10** in Annex I-Itinerary 2a) in combination with the following activities (90 ECTS + 30 ECTS of the Master Thesis or internship as indicated in Annex II).

b) Mobility from Lille1 to the ETSIT-UPV

Before mobility, Lille1 students must prove knowledge of Spanish equivalent to level B1.

The Lille1 students must meet the following requirements to obtain a double degree:

- Itinerary 1b: The students must have completed at least 240 ECTS in the Lille1, as indicated in Annex I (denoted as **S1-S2**, **S3-S4**, **S5-S6** and **S7-S8** in Annex I-Itinerary 1b).
 - They will have to complete in the ETSIT-UPV 60 ECTS (denoted as **MASTER 1** in Annex I-Itinerary 1b) and another 30 ECTS at ETSIT-UPV or Lille1 as Master Thesis, and always co-tutored by one professor from each university. Courses are indicated in Annex II.
- Itinerary 2b: The students must have completed at least 210 ECTS in the Lille1, as indicated in Annex I-Itinerary 2b.

- They will have to complete in the ETSIT-UPV 30 ECTS (denoted as **BACHELOR 4** in Annex I-Itinerary 2a) and then to follow the itinerary 1b.

In all the 4 cases the students must be registered in the course "Tesis de Máster" (Master Thesis) (see table I, column 4) at ETSIT-UPV

FOURTH – EFFECTIVE DATE AND DURATION

This agreement shall come into effect as of the moment it is signed and shall remain effective for a period of four (4) years with the possibility of extending it for additional periods, if the two signing parties expressly agree to do so.

FIFTH – AMENDMENTS

The parties may amend this agreement at any time, provided the two signing parties expressly agree to do so.

SIXTH – TERMINATION OF THE AGREEMENT

This Agreement may be terminated for the following reasons:

- By mutual agreement between the parties.
- By expiry of the initial period of validity or of its extensions.
- By failure to fulfil the obligations that were established or due to having breached the duty of trust.
- By unilateral decision taken by one of the parties, provided written notice to this effect is given six months before the date on which the agreement is to be terminated.

In any case, if the decision is taken to terminate this agreement prematurely, the two parties commit themselves to finish any undertakings that have already been started when notice of the termination is given.

SEVENTH- RESOLUTION OF CONTROVERSIES

The parties undertake to resolve any discrepancies that may arise from the implementation of this agreement in a friendly manner. Should this give rise to some kind of conflict, the parties shall finally comply with the International Chamber of Commerce rules of arbitration, with the aid of an arbitrator chosen in keeping with such rules.

This Agreement is signed in four in the place and on the date indicated above.

ANNEX III

DESCRIPTION OF THE CREDIT AND GRADING SYSTEM APPLIED AT EACH UNIVERSITY AND THEIR EQUIVALENCE

CREDIT SYSTEM

Both institutions use the same credit system, ECTS (European Credit Transfer System), so there is no equivalence on this.

GRADING SYSTEM

- a) From Lille1 to ETSIT-UPV

$$C_{Spain} = \frac{(C_{France} - C_{xm}) \cdot (C_{em} - C_{xm})}{C_{xm} - C_{xm}} + C_{em} \quad (1)$$

Where:

C_{Spain} =Grade in ETSIT-UPV	C_{France} =Grade in Lille1
C_{xm} =Minimum grade in Lille1: 0	C_{xm} =Maximum grade in Lille1: 20
C_{em} =Minimum grade in ETSIT-UPV: 0	C_{em} =Maximum grade in ETSIT-UPV: 10

- b) From ETSIT-UPV to Lille1

$$C_{France} = \frac{(C_{Spain} - C_{xm}) \cdot (C_{em} - C_{xm})}{C_{xm} - C_{xm}} + C_{em} \quad (1)$$

Where:

C_{Spain} =Grade in ETSIT-UPV	C_{France} =Grade in Lille1
---------------------------------	-------------------------------

$C_{xm} = \text{Minimum grade in ETSIT-UPV: 0}$	$C_{xm} = \text{Maximum grade in ETSIT-UPV: 10}$
$C_{em} = \text{Minimum grade in Lille1: 0}$	$C_{em} = \text{Maximum grade in Lille1: 20}$

ANNEX IV

FOLLOW-UP AND CO- ORDINATION COMMITTEE

The coordination committee will consist of the following people:

FROM ETSIT-UPV	FROM LILLE1
The ETSIT-UPV Dean	The Lille1 Dean
The ETSIT-UPV vice-dean of International Relations	The Lille1 vice-dean of International Relations
